#### **Background Investigation**

Upon selection, candidates must successfully complete a thorough personal background and security investigation which includes inquiries into criminal history, driving record, educational level, military service, credit history, references, and moral character. Each qualified candidate is investigated as to character and reputation. The candidate's present and previous employer(s) may be contacted for information regarding work history, including police history.

#### **Applicant Status**

After Probation, employees are paid based on their certification level not on their staffing position and are eligible for additional pay based on certain certifications.

## **Work Hours**

Employees may work up to a maximum of 212 hours in the 28-day work cycle. In extreme cases, and with approval from the Deputy Chief, employees may exceed that maximum hour requirement, and by doing so will receive time-and-a-half.

## **Paid-On-Call**

The Richmond FD relies on all employees returning and staffing the firehouse in a Paid-On Call (POC) status when a call is received. These employees staff the firehouse for a second call (or additional calls), or if additional manpower is needed on the initial call. Because the RFD utilizes this staffing model, employees are encouraged to live within ten (10) miles of the RFD firehouse.
